

Blind Faith

a story of blindness, trust, and family

“I was especially moved by all the emotional themes intertwined in **BLIND FAITH**: confidence vs. lack of confidence . . . independence vs. dependence vs. interdependence . . . bravery vs. bravado vs. fear. The film is honest, sweet, sad and hopeful—all at the same time.”

—Nancy D. Miller, Executive Director,
VISIONS/Services for the Blind and Visually Impaired
in New York City
